

## Heritage Conference President's Report 2025

The Heritage Board currently consists of:

Kevin Crouse - Treasurer

Karen Krulish - Secretary

Frank Jewitt, Tom Loghry, and Erik Reynolds - Ministerial Committee

John Jones - Vice President

Bill Krulish - President

As newly elected President, I greatly appreciate this board. They are all faithful followers of Jesus who want to serve our churches and honor their Lord. Their level of skill, commitment and love is evident every time we meet.

Here is a summary of actions in the past year by the Heritage Conference Board:

We tended to the regular business of managing the finances and transferring credentials both to and from our Conference.

Members of our board gave encouragement and assistance to churches going through leadership changes.

We regularly prayed for our churches and leaders.

We joined others in donating funds for the Pastor's and Church Leaders Conference.

Members of our board assisted with the restructuring of the Superintendent's job description and finding the candidate who became our new Superintendent.

We gave feedback and approval to the proposed 2026 Declaration of Principles.

Our board continued to make our annual meeting more helpful for committed laypeople in our churches. Rev. Tom Loghry was the Keynote Speaker of this year's Conference Meeting. His theme and title was "Kingdom First."

In this year's meeting we also thanked Rev. Doug Tourgee, who had reached his term limit after several years faithfully serving in the role of President.

In Christ,  
Bill Krulish  
Heritage Conference President
